SPONSOR GUIDE

Two dollars per week, or less than the cost of a cup of coffee, goes a long way to help a child in an orphanage in East Timor. Your financial contribution to the East Timor Childrens Fund will assist to educate, clothe and feed the sponsored child in the photo along with many others in selected orphanages. In addition, your funds will be used to support a range of projects to improve facilities in their communities.

We invite you to enter into a life giving relationship with the sponsored children at the orphanages.

To facilitate this you will receive:-

- ☐ -☐ a photo and details of one of the children
- ☐ -☐ periodic reports on his/her well-being and growth
- ☐ -☐ opportunities to correspond through letters

PHOTOS

You may display the child's photo at home or in your personal space at work but we ask that you assist us in protecting the identity of the sponsored child by not downloading, copying, scanning, e-mailing or duplicating photos of the sponsored child. Do not display the sponsored child's photo on any website or intranet site.

If you require additional copies of the photo of the sponsored child please contact us on info@EastTimorChildrensFund.org with your requirements and the reason for needing extra copies and we will advise you accordingly.

LETTERS

If you wish to contact the child, all you need to do is forward the letter to us and we will forward it to the child, on your behalf.

We ask for your patience when sending letters, as all letters will be forwarded to the orphanage and it may take some time for the letters to get to the orphanage, as the mail system is still very slow outside of the major cities of Dili and Baucau.

When sending letters please do not include your address on the letter. It is very important to us to keep your address confidential to stop it from being used by the wrong people who may try to request money etc. If we find your address appears anywhere in your letter, we will return it to you as we do not wish for your details to be used incorrectly.

If you have not had a reply to your letter within about 6 months please advise us on info@EastTimorChildrensFund.org and we will follow this up for you.

SPONSOR GUIDE

CHRISTMAS

Instead of giving gifts, we ask that all sponsors put some money towards the childrens Christmas celebrations. This will allow all the children to celebrate Christmas without anyone being left out.

HOW LONG TO SPONSOR A CHILD

Sponsoring will normally continue whilst the child is at school. This enables the child to complete his/her education, without any disruption, to the best of his/her ability.

We do understand that sometimes circumstances change and you may need to alter your sponsorship. The scheme is structured in such a way as to easily facilitate this. Your contributions are added to a fund and all the children at the orphanages are sponsored from this fund, so any small changes or disruption will not effect individual children. Of course, a drop in available funds will mean that the level of support for all the children and the various projects will be adversely affected. If you are not able to make regular sponsorship payments on either a temporary or permanent basis please contact us to look at other options available.

If you feel that you would like to assist but cannot afford to sponsor a child you can make donation payments also.

PAYMENTS

The cost of sponsorship is \$100-00 per year or just under \$2-00 per week (less than a cup of coffee).

You can decide how often you would like to make the payments: monthly, 6 monthly or yearly. These payments can be made by either direct credit to our account or by cheque or money order.
